

Students4Cooperation - 2nd Edition

The **new edition** of the competition for upper secondary schools promoted by the Interreg Italy-Slovenia Programme. After the success of the first edition, the initiative is now part of the **European brand "Youth4Cooperation"**, supported by the European Commission.

OBJECTIVE

To engage young people in **cross-border cooperation** and promote awareness of European Union policies that affect daily life. Students will have the opportunity to write and submit a **short proposal for a cross-border cooperation project** between Italy and Slovenia.

TARGET AUDIENCE

Teams of **6 students** from the last two years of high school, accompanied by **a teacher**, attending an **upper secondary school within the Programme area**.

FORMAT

- Minimum **1,000 words**
- Font: **Times New Roman 11**
- Digital format (.pdf) and **bilingual** (Italian and English or Slovenian and English)

TOPICS

Environmental
education

Sustainable
mobility for young
people

Civic participation and the
role of youth
